HOT SPRINGS, VA., November 22.—
Thanksgiving week, with its beautiful
weather, finds the resort still gay, the
fashionable throng lingering to play
golf and drive through the mountains
as long as the bright sunshine con-
tinues. There, too, there have been
large arrivals for the week-end holi-
day, including many large parties from
the neighboring cities. For Thanks-
giving day there was a special golf
tournament, a handicap against bogey,
with special cups offered by the Home-
stead. In the afternoon Mrs. Melville
E. Ingalls and her daughter, Miss
Ingalls, had a housewarming party
for their new place, Boxwood Farm,
near here, which was attended by many
of the visitors, as well as the residents
of the Hot Springs Valley and their
friends in the neighborhood. Among the
former were included Mr. and Mrs.
John D. Rockefeller, Jr., Miss Beatrice
Gordon Pratt, Mr. and Mrs. Walter N.
Stillman and Robert M. Barnett.
Colonel Samuel Pomeroy Colt, of New
York and Providence, came early in
the week with a holiday party consist-
ing of the Countess Morand and Mr. and
Mrs. Mitchell-Henry, of London, whom
he took to White Sulphur Springs by
motor for luncheon and return for
Thanksgiving dinner here.

Louis Sherry, of New York, came
down by automobile, bringing Mr. and
Mrs. D. R. Goddard, of Philadelphia,
and Mrs. M. G. Wagner, of New York,
to stay for the holiday.
Mr. and Mrs. Dallas Rache Pratt, who
have been here for several weeks, had
a party at White Sulphur Springs for the
day. Their daughter, Miss Beatrice
Gordon Pratt, took Thanksgiving din-
ner with her sister and brother-in-
law, Mr. and Mrs. Walter N. Stillman,
and entertained a large company, in-
cluding their uncle and aunt, Mr. and
Mrs. Francis G. Landen, Mr. and Mrs.
Edgar T. Palmer, Mr. and Mrs. S. Ver-
non Mann, Miss Maud Hampton, Mr.
and Mrs. William Turnbull, all of New
York.

Greer, Mrs. Waldo Story and Miss Bar-
rett made up another party, which
came for the holiday from New York.

friends at dinner.

Martha, Helen and Hannah Biddle, were

man for Thanksgiving dinner and the
week-end.

Charles F. Murphy, of Tammany
Green, who has been here for several
weeks playing golf, had a family din-
ner with his wife and daughter.
Mrs. Cornelius Vandewater, who is
taking the cure, is in deep mourning
and took no part in the day's festivi-
ties.

The open season for deer this year
commences only the present week, and
many of the guests have been out in
the mountains for the sport. The most
successful hunters, however, have been
the local members of the Jackson River
Club, who brought down five, and also
hunted many wild turkeys and small
game. Mr. and Mrs. A. Rex Elin, of
Pittsburgh, who are members of the
newly-organized club here, brought in half
a dozen pheasants as the result of a
day's trip in the mountains, and May-
or M. Blanford, William McKee Dunn and
R. A. Perry secured numerous pheasants
and quail.

An addition to the hunting colony
were Mr. and Mrs. Robert Maxwell
Seaton, who arrived on Wednesday. Mrs.
Seaton was Miss Elizabeth Grier Hibben,
daughter of the president of Princeton
University, and Mrs. Seaton is a member
of the faculty. Other members of the
colony include Mr. and Mrs. D. S. Mac-
Donald and Mr. and Mrs. William Pen-
son Davis, of New York and Mr. and
Mrs. Charles Theodore Gilbert of Bos-
ton. Mrs. Gilbert was Miss Edith Chubb,
of Chevy Chase, and their marriage
took place there recently.

Miss Edith Kelsey, of Washington, is
a member of the party of Mr. and Mrs.
Clarence Kenyon, of Poughkeepsie, who
are here for the Thanksgiving holidays.
Mr. and Mrs. George Kenyon, of Pel-
ham, N. Y., and Miss Helen Kenyon, of
New York City, are also members of the
party.

York, and Miss Raughter, of Washing-
ton, her sister, are among the recent
arrivals here.

ington next week. They are to remain

Mathew Terry, of Lynchburg, has gone
away for the week-end.

 Chesapeake and Ohio Railway, came in
his private car on Tuesday. Chairman
Frank Trumbull, of the board of di-
rectors, brought his car from New York
for a brief visit on Wednesday, going
to White Sulphur Springs for the holi-
day.

Skating Costume

Up in Toronto, Canada, there is a
famous group of pretty girls who are
members of the "Victoria Skating
Club." Of these girls, Miss Beryl Hun-
ter, the subject of this photograph, is
conceded to be the prettiest. To see
her as she gracefully glides on the
ice is a pleasure, especially so when
she is garbed in one of the ice cos-
tumes which very often is her own
creation. At the first fashion show
ever held anywhere there was in
New York on November 15 a display of
everything to wear for skating this
winter. Miss Hunter is seen wearing
one of the striking skating costumes
for which she is noted. The coat is an
angora texture with splashes of white
resembling snowflakes. The sleeves
are long and roomy, fitting snugly at
the wrists. An angora throwover
scarf is effectively used to keep the
cold away from the throat. A jaunty
cup of the same material as that of
the coat has a single black feather as
its trimming. Gauntle gloves of
angora with the white splashes. The
skirt is of a heavy woolen texture and
reaches to the shapings.

DANDRUFF MAKES HAIR FALL OUT

25 cent bottle of "Danderine"
keeps hair thick, strong,
beautiful.

Girls! Try this! Doubles beau-
ty of your hair in few
moments.

Within ten minutes after an appli-
cation of Danderine you cannot find a
single trace of dandruff or falling hair
and your scalp will not itch, but what
will please you most will be after a
few weeks use, when you see new
hair, fine and downy at first—yes—but
really new hair—growing all over the
scalp.

As the Danderine immediately dou-
bles the beauty of your hair, no dif-
ference how dull, faded, brittle and
scrappy, just moisten a cloth with
Danderine and carefully draw it
through your hair, taking one small
strand at a time. The effect is amaz-
ing—your hair will be light, fluffy and
wavy, and have an appearance of
abundance; an incomparable luster,
softness and luxuriance.
Get a 25 cent bottle of Danderine's
Danderine from any drug store or
toilet counter, and prove that your hair
is as pretty and soft as any—that it
has been neglected or injured by care-
less treatment—that's all—you surely
can have beautiful hair and lots of it
if you will just try a little Danderine.

How We Bought Our Winter Furs

Our Fur story began last summer, when American Furs
were shut off from European markets.

Prices were LOW then, and we bought heavily—bought
with rare skill and discrimination as a result of our many
years' experience.

Summer is now past and Furs have gone into every-
thing—fur motor coats; street coats; fur-trimmed suits;
fur-trimmed shoes—furs everywhere.

And prices have jumped accordingly—10%, 20%, 30%
and even more. Only ten days ago a manufacturing furrier
said we were selling some Furs cheaper than he could offer
them.

But our prices have NOT raised—and will not RAISE—
while present stocks last. Pay no more now at Reinach's
Fur Shop than you would in early September.

We state these facts freely and frankly so you may know
